

VACANCY: STOCK CONTROLLER

The Test Flying Academy of South Africa (Oudtshoorn Base) has a vacancy for an authentic person with an un-compromised track record reflecting a diligent nature and strong work ethic. Suitable candidate must be able to perform well under pressure. It is essential for the applicant to possess organisational and teamwork skills.

REQUIREMENTS:

- Minimum qualification grade 12.
- Previous experience as a Stock Controller would be beneficial.
- Experience with Excel is essential.
- Experience with XERO Accounting software would be beneficial.
- Computer literate and strong administrative skills.
- Fully bilingual (Afr & Eng).
- Accuracy and attention to detail are essential attributes.

Apply with a detailed CV before 15 April 2022 via email to: admin@tfasa.com

Should there be no communication within 5 days after closing date, it can be regarded that your application was unsuccessful.
